Traditional Chinese Medicine - Yin and Yang of Pet Food ...
By Dr. Judy Morgan, holistic veterinarian and author of "Yin & Yang Nutrition for Dogs" Most pet owners are aware of the list of foods that are toxic to dogs, including chocolate, alcohol, onions, grapes,

raisins, Macadamia nuts, yeast dough, and products containing xylitol (found commonly in peanut butter products most recently).

The Beginner's Guide to Home Cooked Food for Your Dog

In Traditional Chinese Medicine and other Eastern medicinal practices, diet is used in the prevention as well as treatment of diseases or ailments. A core concept of TCM is balance. Each Food has yin or yang properties to consider, and each food has a yin (cool, damp) and a yang (hot, dry) constitution. A diet should be designed to help heal, not create further imbalance.
