Zarathustra

Zarathustra, Iranian religious reformer and prophet, traditionally regarded as the founder of Zoroastrianism. He has been a major figure in the history of world religions, in large part because of his apparent monotheism, his purported dualism, and the possible influence of his teachings on Middle Eastern religions.

Biography of Zarathustra, Founder of Zoroastrianism

(Many wrongly confuse King Vishtasp who reigned during Zarathustra’s life with the father of Darius the Great, with the same name). That mistake alone is the main reason why many ancient Greek historians wrongly believed that Zarathustra lived around (600 B.C.E) 258 years before the reign of the Macedonian king Alexander, when in fact Zarathustra lived over 14 centuries before him.”
