Zenith Radio: The Early Years 1919-1935 by Harold Cones, 9780764303678, available at Book Depository with free delivery worldwide.

Zenith Radio Corporation - Chicagology Westinghouse, RCA, Philco, Watterson Radio, and Zenith all manufactured this type of radio in the 1930s and 1940s. The easiest way to identify a specific radio model to know if it is antique is the model number and serial number. These will be printed somewhere on the radio and can help you determined the year that it was manufactured.
